TO WHOM IT MAY CONCERN

We wish to invite you to take part in the Education International 6th World Congress, which will take place in Cape Town between 22nd – 26th July, 2011. This will be preceded by Pre-Congress events which run between 19th – 21st July, 2011.

Education International (EI) is the global union federation of organisations representing nearly 30 million teachers and other education workers, through 402 member organisations in 173 countries and territories.

SADTU, NAPTOSA and SAOU are member organisations of EI and are honoured to be the host organisations for the EI World Congress in South Africa. We look forward to welcoming teaching professionals from all over the world to take part in this prestigious and important Congress, which will be opened by President Zuma and attended by other dignitaries from the South African government.

We will extend to you a warm South African welcome in Cape Town and introduce you to the culture and hospitality of our country.

Yours sincerely

.....
