Contribution to EI Solidarity Fund

As previously, Läraryrket will make an allocation to the EI Solidarity Fund instead of sending Christmas cards to national and international colleagues.

The expenditure for printing cards and buying stamps is equivalent to SEK 50 000.

In an advertisement in the Teachers' Magazine and on our website we will inform our members about this way of wishing Merry Christmas and Happy New Year.

We would appreciate if you could also inform about this contribution on the EI website and in key EI publications to encourage other EI affiliates to do the same.

Läraryrket has today transferred an amount of SEK 50 000 to EI Solidarity Fund, Account No 310-1006110-12, c/o I.N.G. Bank, Rue du Champ de Mars 23, 1050 Brussels.

Yours sincerely,
LÄRARYRKET
