

The Future of the Teaching Profession

Proposed Amendment

to the Resolution on Shaping the Teaching Profession of the 21st Century,
submitted for adoption by the ETUCE Committee to the ETUCE Special Conference, the Regional
Special Conference of Education International, meeting in Vienna on
26-27 November 2014

By: Algemene Onderwijsbond, The Netherlands

Proposed amendment on page 4, Decision:

Add “the professional autonomy of teachers” after “ETUCE policy on”:

The Resolution reads then as follows:

Decides to

Create an ETUCE taskforce to develop an ETUCE Policy on **the Professional Autonomy of Teachers,
Education and the Use of Information and Communication Technologies for the 21st Century
Teaching Profession to be presented to the ETUCE Conference in 2016.**
