Take the Lead on AIDS

For World AIDS Day, Education International has prepared an Activity Kit to be used around the world by teachers with their colleagues and students on December 1 in schools, classrooms, AIDS clubs, and union meetings.

Along with this poster, the Activity Kit contains the lesson 'One hour on AIDS'. Following this short lesson is a great way to raise awareness amongst teachers and students about HIV and AIDS and to encourage them to join in the response.

The Kit can be downloaded in various languages on the EI Website www.ei-ie.org
