EDUCATION WORLD FORUM – BRIDGE INTERNATIONAL ACADEMIES:

We are deeply concerned and disturbed with the involvement of Bridge International Academies (BIA) in their participation as main sponsor in the forthcoming **Education World Forum in London.**

Bridge International is an organization that is under scrutiny for engaging in unacceptable practices in Kenya, running unregistered schools, delivering a curriculum that is unapproved and using learning materials which are not approved by the Kenya Institute of Curriculum Development (KICD).

It is an organization that is engaged in **Profit for Business Venture** targeting the poor and therefore stands no moral ground to participate as a sponsor in a serious meeting like Education World Forum.

We oppose this development in the strongest terms possible and ask the forum organizers not to accept the Bridge International Academies as their sponsor.
